New OutlookSM Prescription Drug Riders for New York

Health Net is introducing six new Prescription Drug (Rx) Riders to our New York Small Business Group **Outlook Portfolio** for July 1, 2009 effective dates. They are available now for quoting on **HealthConnect**.

When compared with our most popular **Outlook Rx Rider DB (\$15/\$25/\$40)**, these riders can save Health Net's small business clients between **13-35%** on their prescription drug premiums.

These riders were created to enhance Health Net's **Outlook Portfolio** of health plans which were built to address the changing needs of today's small business employer.

Features of our new Outlook Rx Riders include:

- **Higher copayments**
- **Deductible options of \$0, \$50 and \$100 for brand name prescription drugs**
- **Generic prescription drugs are not subject to the deductible***

Plan details are included below and in our Third Quarter New York One Sheet. For more information please contact your Health Net Account Executive.

Click here to view our [Third Quarter One Sheet for New York](#).

New Outlook Rx Riders for New York

*The Food and Drug Administration certifies that generic drugs are identical, or bioequivalent to a brand name drug in dosage form, safety, strength, route of administration, quality, performance characteristics and intended use. Although generic drugs are chemically identical to their branded counterparts, they are typically sold at substantial discounts from the branded price.
